6 Embryos Selling

Donor: **Bauman Hoo Doo 4569**

Purebred Charolais from Hoo Doo - Leading Bauman Donor

SELLING: A. 1 PACKAGE OF THREE EMBRYOS by Heat Wave
B. 1 PACKAGE OF THREE EMBRYOS by Friction

- 4569 is a leading donor in the Bauman program. The embryos selling are full and half sibs to top selling calves in that program that have sold to Texas and California.
- 4569 is a moderate, big ribbed, extra nice fronted purebred Charolais female that originated from the Hoo Doo operation. She has been noted for her balance and design and the added smooth, extended front end that she possesses. Her mating to Friction has been highly successful with a top selling heifer to Jake Franke. There have been no Heat Wave's on the ground yet out of this cow. We are looking forward to this mating as we feel she is the ideal type HooDoo for Heat Wave!
- The Grand Champion Steer at the 2009 Houston Livestock Show was a Heat Wave x Hoo Doo! Pick your Poison!

Offered by: **Bauman Cattle Co., Cheyenne, WY, 307-630-0336, baumancattle@yahoo.com;**
